

**INDUSTRIAL SAFETY SHOES**

**STEP INTO SAFETY**

**PROTECT EVERY STEP OF YOUR JOURNEY**

# WHO WE ARE

JMDi Safezone is a trusted name in Personal Protective Equipment (PPE), and Industrial Safety Equipment. With over three decades of experience, we are committed to delivering superior-quality safety products designed to meet the demanding needs of industries like construction, manufacturing, mining, and oil and gas.

We strongly believe in providing the best possible and comfortable safety solution to minimise accidents at your workplace & maximise the protection of your workforce.

From Manufacturing 100 pairs of shoes a day to 6000 pairs a day, we have come a long way and with the support of our clients we propose to seek newer heights in every industry.

## UPPERS

Crafted from premium leathers, technical meshes, or durable microfiber, reinforced with high-tensile threads and precision stitching for unmatched quality.

## TOE CAPS

Our toecaps, available in steel, composite, or advanced nano-composite materials, are lightweight yet meet strict safety standards, ensuring maximum comfort and protection.

## FOOTBEDS

Our shock-absorbing, replaceable footbeds are ergonomically crafted to cradle your feet, offering anti-microbial, antistatic, and odor-free comfort all day long.

## SOLES

Full of air bubbles and ergonomically contoured to provide shock-absorption and energy return. Highly resistant against oil, chemicals and fuel.

# WE CARE

**JMDi Safezone** leads the way in sustainability with its Environment-Friendly Manufacturing Initiative, transforming industrial waste into reusable materials for its footwear. By recycling synthetic leather, vamp lining, insole, PU, PVC, foam, and more, JMDI Safezone creates eco-friendly products.

With tonnes of raw materials recycled every month, JMDI Safezone reaffirms its commitment to preserving the planet while delivering innovative, sustainable products.

# SHAPING INDIA

From a modest start with just a handful of clients, we've grown to serve over 15 states across multiple industries in India. Our durable and comfortable safety products have become a trusted choice for the nation's hardworking labour force—those who tirelessly build and shape the future of our country. We take immense pride in being a part of their journey, delivering protection and comfort every step of the way.
